## Call to Worship Song - "His House"

Worship Him, Christ the Lord

## Health Nugget

In order to have good blood, we must breathe well. Full, deep, inspirations of pure air, which fill the lungs with oxygen, purify the blood. They impart to it a bright color and send it, a life-giving current, to every part of the body. A good respiration soothes the nerves; it stimulates the appetite and renders digestion more-perfect; and it induces sound, refreshing sleep. (Ministry of Healing, p. 272.)

## From the Pen of Inspiration

Men need to learn that the blessings of obedience, in their fullness, can be theirs only as they receive the grace of Christ. It is His grace that gives man power to obey the laws of God. It is this that enables him to break the bondage of evil habit. This is the only power that can make him and keep him steadfast in the right path. (Ministry of Healing, p. 114, 115.)
