**1. Facility Heat Maps**

The facility heat maps have been completed and sent out to all state bodies (national map & each state specific map). These will be explained further at the upcoming AGM.

**2. Grants Tender Process**

The 'Facility Grant Writers' page has been made live on the Squash Australia website. Facilities have been notified by monthly emails and newsletters. The selection criteria and all required information is available online. An additional callout has been made to states to further spread the word about the service to facilities. Follow the link below to access the application page:
