- 3/10 **PREVIEW DAY**
8:15-12:15 -Free Pizza lunch
- 3/16-20 **SPRING BREAK**

SNOW

This Monday our 5th-8th graders spent the day in the snow at Cataloochee. It was a beautiful day! We have some amazing skiers and snowboarders. We also had a number of brand new, first timers. It was amazing to watch you take a lesson and then tackle the hills. We saw you fall and get up. We watched you learn, getting better and better with each run. We loved watching you have fun with your friends, outside in the sun and snow.

In 7th and 8th grade Bible we are studying forgiveness, how God forgives us immediately and completely. In the Psalms, God promises to create in us a clean heart, to wash us and make us like freshly fallen snow, to restore our joy.

We got a taste of that on the mountain on Monday. We got the warm sun and the fresh snow and lots of joy.

Erin Miller, Principal

ACRO KIDS

Gymnastics Continues
Wednesday, February 12
Remember your \$10.00

If you have box tops please turn them in. We get \$\$ for them!!

Last week APCS hosted Southern Adventist University's students working on their Masters in Outdoor Education. They observed our forest, sat in all our classes, gave nature based devotionals and provided our teachers with outdoor experiential curriculum. We were blessed to have them here with us!
