A Beautiful Life Story Of Clinton Jerrell Hines IV

CJ

Clinton Jerrell Hines IV was born on November 4, 1990, in La Palma, California to Susan Kearney and Clinton Hines III. From the very beginning, he showed a deep passion for life and a heart full of love for his family and friends. CJ's early years were spent in Carson, where he attended Leapwood Elementary and Curtiss Middle School. As he moved on to high school, he first went to Locke High before transferring to University High. CJ developed a love for football at a young age, playing for the Mona Park Chiefs and later representing Locke High. Throughout his life, CJ was known for his incredible work ethic and determination. Once he set his sights on something, he would stop at nothing to achieve it. One of the greatest joys of CJ's life came in 2010 when he became a father to his son, Clinton J. Hines V. The day his son was born was one of the happiest moments of his life. Over the years, CJ was blessed with three beautiful daughters; Camryn, Cassidy, and Caylee. Being a father brought him immeasurable joy, and every decision he made was driven by the love and care he had for his children. CJ cherished spending quality time with his family, whether it was a family gathering, a party, trips to the park, or just simple outings. As a dedicated provider, CJ worked hard throughout his life. He held positions at companies like: Republic Trash Company, Amazon, and FedEx, all while dreaming of new business adventures. His ambition and "never give up" attitude fueled his pursuit of success for the future he wanted to create for his loved ones.

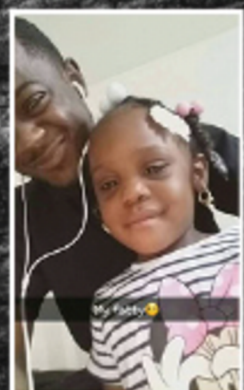

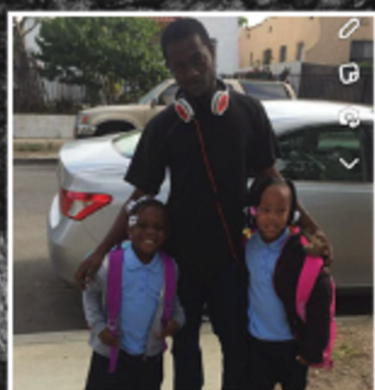

CJ is preceded in death by his maternal grandparents, Gertrude and Otis Gardner; his paternal grandfather, Charles Featherson; his beloved auntie, Felicia Hines; his great-great-grandmother Millie Brown; and his great-grandmothers Doll Baby Brown-Holyfield and Bernice Hines.

CJ leaves behind a loving family who will forever hold him close in their hearts. He is survived by his four children: Clinton V, Camryn, Cassidy and Caylee; his devoted mother, Susan Kearney, and step-father, Joseph Kearney; his loving father, Clinton Hines III, and his step-mother, Liane Brooks-Hines; as well as his bonus mom, Antwaynette Johnson; his Godmother, Joann Hines; his siblings: Christina, Kylee, Da'Johnia, Jogina, Christopher, Tyshon, Jonathan, Joseph III, Teyrin, Terrauncen and Terrion; his paternal grandmother, Freddie Featherson; his paternal aunts Millie Williams and Darlene Russell; and many aunts, uncles, and cousins, who will forever carry his memory in their hearts.

CJ's legacy will live on in the love he shared with his family, the lessons he imparted, and the unwavering determination he showed in everything he did.

Family Tributes

Farewell My Son

Cj you recieved your crown and you stand before the king. Although I miss you everyday, I had to release you so you could be free. All my love always!

~ Momma

Letter to My Dad in Heaven

They say there is a reason, they say time will heal. Neither time nor reason will change the way I feel. Gone are the days we used to share, but in my heart you are always there. Your memory is not forgotten, far from which I will not part. I thought of you today, but that is nothing new. I thought of you yesterday and the day before that too. I miss you more than anybody knows. God has you in his arms, I have you in my heart. Love and miss you everyday until we meet again; always and forever!

I Love you Dad.

~ Caylee

Dear Dad

I love you so much and I'll always remember you! I will always remember you telling us everything happens for a reason. You'll forever be in my heart. I love you!

~ Clinton

Thank You Dad

Family Tributes

To My Son

This is so hard to do. I am so sorry son that I wasn't there to protect you on that day. Dad will protect your kids I promise you. I know all you wanted was your kids to be happy; you were a good father. Everything you did was for your children. You put yourself last to make sure they had everything. It was a lot on you son, I know, and I am sorry. This hurts so bad; I promise dad will never forget about you son. You will be with me everywhere I go like you was when you were a baby.

~ Love Dad

Hey Brother

You've been my protector since day one, and as we grew up, I know I've become your protector too. We've had our fair share of arguments and fights, but no matter what, we always checked in on each other. From living under the same roof to helping each other with our kids, our bond has only grown stronger. Losing you feels like losing a huge piece of my heart, and it hurts more that I can say. But I know this isn't the end. I believe we'll find each other again in the next lifetime. I love you to infinity and beyond. and I'll carry our memories with me forever.

Love,

Your little big sister!

I Love You Brodie

My motivation, my biggest supporter, my right hand man. I'm never gonna be the same without you but I will try to be strong; live on and chase my bag like you'd want me to. Foo u know I'm yo brother forever my dawg, forever! No more pain, stress or child support!

Through the Storm

We know the Lord won't give us more than we can bear, than we can endure. Yet in the shadows, you'd often sigh, asking the heavens, "Why me?" with a cry. He saw your strength, knew you'd prevail, through the sadness and struggle, you'd never fail. In the laughter of children, your heart would ignite. They brought you joy, your shining light. Now you're an angel, free from all stress. In heaven above, you've found your rest. Momma's heart swells with pride and love, as you soar high with your wings above. Though we'll miss you, our hearts hold tight, to the memories we cherish, the love, the light. In peace you abide, just as you wished. And in our hearts, your spirit will forever exist!
