On behalf of the families we serve, we thank you
for the love and support you have shown them by
your presence at the visitation and funeral ceremonies.

At the time of grief, it is important for
families to be reassured that people care about them.

There is great value in funeral service and your support.

Remembering Your Mother

Remembering Your Mother
Because she was so dear to you,
Her memory will live on
Just as the fragrance of a rose
Still lingers when it's gone...
The beauty that was hers alone
In thought is with you still,
And in the hearts that love her,
She still lives,

and always will.
