

## **SQUASH AUSTRALIA HIGH PERFORMANCE ADVISORY GROUP**

Squash Australia is seeking Expressions of Interest (EOIs) from suitably qualified and experienced individuals to provide strategic input and support to Squash Australia's High Performance (HP) programme.

The HP Advisory Group will consist of three (3) individuals whose skills and experience will allow them to provide strategic input and support across the following HP areas.

- Athlete and coach pathway development
- Elite (world class) performance (coaches and athletes)
- Competition planning and preparation
- Best practice Sports Science and Sports Medicine (SSSM)
- High performance sport administration

### **Function of the HP Advisory Group**

The HP Advisory Group will meet as required (approximately six times a year) with the Squash Australia HP Management team (CEO, HP Manager, National Coach, Performance Pathway Coach) to discuss strategic matters related to the areas outlined above.

### **HP Advisory Group Composition**

While an extensive background and experience in squash will be essential for many functions of the HP Advisory Group, Squash Australia are also seeking EOIs from individuals with experience outside of squash who are able to provide a different perspective on the HP programme.

### **Application Process**

Interested individuals should submit a **one-page cover letter** outlining how their qualifications and experience address some (or all) of the key HP areas listed above.

Applicants can send their cover letter to [hp@squash.org.au](mailto:hp@squash.org.au) by **5:00 pm AEST on Friday 27 March**.
