1923 - 2023

*I have not lived a perfect life nor loved with perfect love,
And there are things specifically that I am not proud of;
Yet still it might be said of me, despite my imperfection,
Although I walked unsteadily, I walked the right direction.*

-Marnie Spencer

Death is not extinguishing the light;
it is only putting out the lamp
because the dawn has come.

- Rabindranath Tagore
