When Ted Boutrous moved his law firm to Bismarck, Marlene worked for him until his retirement. Marlene also worked for March of Dimes, American Family Insurance, and Jewel Eggs. She dedicated much of her time assisting Garry with their photography business taking photography of weddings and special events for many people for more than 30 years.

Marlene and Garry enjoyed traveling and camping often visiting state and national parks. One of their favorite places to visit was Medora, ND where they took numerous photos in the Badlands.

God's Garden

*God looked around the garden,
And found an empty space.*

*He looked down upon the earth,
And saw your tired face.*

*He put His arms around you
And lifted you to rest.*

*God's garden must be beautiful
For He only takes the best.*

*He knew that you were weary,
and He knew you were in pain.*

*He knew that you would never
be well on earth again.*

*He saw the roads were getting rough,
and the hills were hard to climb.
So He closed your weary eyelids,
and whispered peace be thine.*
