

## Meet Up 1: Create Challenge

We've broken down a meet-up guide to help you plan out your time together as a Pod.

| Group ice breaker: invite each Pod member to share their name and the name and age of their child, a photo, and their favourite thing to do together  Getting to know each other:  Invite each parent to show and tell the activity or tip that they added to their Favourites on the EasyPeasy app  Introducing your Create Challenge: learning through play.  The Pod Leader should read out the challenge introduction to the group from the Cards in your Create Toolkit  mins  Paper prototypes:  Share paper prototype templates and instructions  Once everyone has sketched out their ideas, take some time to share the ideas back to the group.  Congratulations! You've nailed the first meet-up! Make sure to take the time to schedule in the follow up before everyone goes. Ideally |         |  |
