## Pre-K & Kindergarten Mrs. Beth Kobliska

### Theme

This week we will continue our book called *A Day on the Prairie*. This book highlights different animals and insects that can be found on the prairie, where many pioneers traveled in their covered wagons while moving west. It's a unique book because it was written and illustrated by third-grade students in Illinois.

### Bible

In Bible this week the students will study how Abram led his family to worship and praise God and how God loves our worship as well. Our verse for the week is: "The Lord is our God and we will worship only Him." Joshua 24:24.

### Letter of the Week

Our letter of the week will be **Kk**.

### Snack Helpers

Snack this week will be provided by: Monday, P/T Conferences; Tuesday, Mia; Wednesday, Nic/Jed; Thursday, Tinsley.

## 1<sup>st</sup> & 2<sup>nd</sup> Grade Mrs. Kay Sutherland

I'm looking forward to meeting with each of you.

**I was so blessed hearing your children during the Spring Program.** I could really tell they love Jesus!

**We are learning about Joseph** and how he trusted God in all his different

situations. We can trust God too! **We are finishing up our unit on the body and starting a new one about weather and the water cycle.** Please help your child notice the temperature swings this Spring.

**Spelling Test** on April 13 for first grade will be over lesson 23 words: as, has, that, happy, after, was, said \* have, hasn't, wasn't.

**Spelling test** April 13 for second grade will be over lesson 23 words: also, always, children, draw, each, small, such, walk, want, which, \*called, \*lunch, \*wanted.

## 3<sup>rd</sup> & 4<sup>th</sup> Grade Mrs. Eva Hill

☺ **What a blessing! The program** our OAS students presented Thursday evening reminded us all that Jesus truly is our very best friend.

☺ **I look forward to visiting with each of you** at parent-teacher-student conferences on Monday. If you haven't scheduled a time, please let me know.

☺ **GREAT JOB on the Social Studies** chapter 8 test last week! Most of the class earned A's or B's.

☺ **Multiplication!** Don't forget...Keep them sharp!

☺ **Spelling words from lesson 26** will be tested next week. New spelling lists for lessons 25 through 29 were sent home last week. If you should ever need another copy, just let me know.

☺ **No treasure verse quiz next Friday.**

☺ **Please remember:** We begin playing softball for P. E. when we

return from spring break, April 8. Each student will need a softball glove that fits them every Monday and Wednesday for the rest of the school year. PLEASE MARK your child's glove with their name so that there is no confusion. Thanks!

## 5<sup>th</sup> & 6<sup>th</sup> Grade Mrs. Janet Lopez

In Bible this week we played a game called Sparkle. It has really helped the students remember their MV. We also researched Hezekiah and Jehoshaphat using Chromebooks. Students worked in groups to create posters displaying all the kings of Israel and Judah. We learned about the characteristics that made the good Kings good. It was a reliance upon God.

In Math the 5th graders are dividing fractions. The 6th grade is combining like terms in Algebraic expressions.

In Social Studies we are finishing our 2nd book on "The Ancient World." The students are working on a slide show with a summary from each chapter of the book.

In Science we did an experiment to learn how desalination works. We also experimented with creating a mini ocean and saw how pollution gets into our oceans.

In English we are reading "Small Steps," a story about a girl who contracted polio. We continue to break apart and diagram sentences.

Have a great Weekend! See you Sunday for field day.
