Local Church Budget

Men's Ministry Day of Prayer. When Claudio Con-suegra, the current Family Ministries Director of the North American Division, was a young man, he began attending the Seventh-day Adventist Church and was receiving Bible instruction by the local church pastor. When they studied what the Bible said about tithes and offerings, Claudio became concerned. He had not been careful about money management and had fallen into a bad habit. He would get paid on Thursday, but by Monday all his money would be gone. He would then borrow money from friends to hold him over until the next paycheck.

When he was taught that God expects that the first 10 percent of our income be returned, he figured that would not be possible. His paycheck now didn't even last a week so, surely, finances would be even tighter with 10 percent less to spend. When he told his pastor of his concern, the pastor challenged him to test God and claim His promises. Claudio prayed and put God to the test. The amazing thing is that the very first week he returned God's tithe, his paycheck lasted until the next paycheck, even after paying back his debts. Since that day, more than 40 years ago, he has been returning God's tithe and giving offerings faithfully, and God has shown His faithfulness and love to him and his family in many different ways.

His daughters witnessed their parents' faithfulness and now as married women they follow the same practice. His prayers and his obedience have shown them what it means to be a spiritual head of household, as men of God are called to be.
