Many need instruction as to how they should appear in the assembly for worship on the Sabbath. They are not to enter the presence of God in the common clothing worn during the week. All should have a special Sabbath suit to be worn when attending service in God's house. While we should not conform to worldly fashions, we are not to be indifferent in regard to our outward appearance. We are to be neat and trim, though without adornment. The children of God should be pure within and without. Testimonies Vol 6 "The Observance of the Sabbath page 355.

**NOTE: Deacons at Large: to be used for service when needed – George Noble, Ryan Bennett**
