Mama

Mama, the beauty of your presence brought joy to everyone you interacted with. I would witness your love through your hands by the taking care of the ground as we tended the garden, caring for people's hearts by giving them advice, money, and showing love by using your hands to cook meals from your soul. You smelled like roses and sweet wildflowers every time I saw you. I loved to hear your voice each time I called or visited you, any day.

I will never forget having conversations with you, allowing you to see the world through my eyes. I will always remember your skin was like smooth gold, with eyes like precious jewels. You were born with a heart of gold. Your hair was like stars brighter than the night. You will always be a queen, Mama. Your heart is filled with beauty, peace, and love. A smile more brighter than the sun, as you age better than fine wine; So priceless and lovely. Even to the end, you are irreplaceable. Beautiful then, beautiful now, and always in my eyes. Sleep well now; I will miss you and love you always, Mama.
