

## ***Our Aunt Genita***

Aunt Genita had a quiet, humble, honest spirit and always showed love to her nieces.

She enjoyed shopping, solving puzzles, watching movies, reading novels and became a fan of science fiction. She stayed true to herself, and it showed!

We'll always remember her infectious laugh and smile. When she laughed you couldn't help but to grin and chuckle with her.

Aunt Genita had a heart full of gratitude. When she said thank you, you could feel her appreciation.

She pressed on through challenges with grace. She is deeply loved by her family and will be truly missed.

Our heavenly Father gives, and He takes away. Blessed be the name of the Most High God, for she is now at rest.

***With Love,  
Melanie, Monique, Monica & Michelle***
