IN LOVING MEMORY

When I must leave you for a little while
Please do not grieve and shed wild tears
And hug your sorrow to you through the years
But start out bravely with a gallant smile and for
My sake and in my name, live on and do all things the same.
Feed not your loneliness on empty days, but fill each
Waking hours in useful ways
Reach out your hand in comfort and in cheer
And I in turn will comfort you and hold you near
And never never be afraid to die
For I will be waiting for you in the sky
