In Memory

When I must leave you for a little while
Please do not grieve and shed wild tears
And hug your sorrow to you through the years.
But start out bravely with a gallant smile;
And for my sake and in my name
Live on and do all things the same;
Feed not your loneliness on empty days,
But fill each waking hour in useful ways,
reach out your hand in comfort and in cheer
And I in turn will comfort you and
hold you near;
And never, never be afraid to die,
For I am waiting for you in the sky!
