### Maghreb Project

We pray the Lord's special blessings on you as the sabbath hours draw near. May you realize the love and acceptance of our father as you rest in Him.

We celebrated Alsa's birthday on Tuesday of this week by going on an all day excursion with a tour guide. He was eager to share with us the ways of his people.

We long to be able to connect with the Maghreb people but are unable to do so because of the language barrier. The Lord has opened the doors for us to attend a language school in another city that specializes in teaching the Maghreb language and culture. We will live with a local family part of the time and are hopeful this will give us a better understanding of the Maghreb worldview. Please continue to pray for the Lord's guidance and wisdom as we take this most important next step.

Check our AFM website for more pictures from the past week. The post is "Maghreb Mountain Tour". There's another post entitled "What is It?" with a mystery picture for you to figure out. Please comment on this picture. . . we're excited to see how many of you figure it out!

Thank you so much for your ongoing support and prayers. The Lord continues to guide one step at a time and we are confident He is working in response to your prayers on our behalf and on behalf of the Maghreb people.

Your brother & sister in Christ,  
Ian & Alsa Lain
