

The Teacher will be purchasing basic supplies and the fee will be **\$50.00** for each child.

The \$50 fee for the Grades 7 - 9 ***does not*** include the required following items:

x1 **Electronic device** (laptop, iPad or tablet. No programs needed as the school Gmail accounts include word processing, powerpoint slides and spreadsheets).

x1- **4 GB USB memory stick** (smaller/less expensive one is fine)

x1 **Headphones or earbuds** to use with electronic device in class

x1- **Indoor athletic shoes**, not Toms (also used for gym; no dark soles as they leave marks on gym floor)

x1 **underarm deodorant**

x1- **Bible**, (optional; students are encouraged to bring their own personal Bibles)

NOTE: Some supplies for certain projects/presentations later in the year may be required that are not included in this list (e.g. science projects/experiments, social studies unit presentations etc.).

All students in the school will also need to have a pair of indoor athletic shoes.
