

*Beth was filled with grace and light,
A radiant soul, now out of sight.
In our hearts, she will forever stay,
A beacon of love, lighting our way.*

*Through tears and smiles, we say goodbye,
As her spirit soars, painted in the sky.
Beth is gone, but never erased,
In every sunset, in every embrace.*

*Jimmy and Beth, five decades of love,
A mother's heart sent from above.
Grammy and Great-Grammy, love multiplied,
Her beaming legacy cannot be denied.*

*In classrooms filled with hope and light,
She touched our hearts and made things right.
Sewing dreams with threads of care,
Her kindness was a gift beyond compare.*

*In kindness, devotion, and love so true,
We honor her memory in all we do.
A life well-lived, pure and true,
Forever in our hearts, we will remember you.*
