## ***Dad***

*He never looked for praises  
He was never one to boast  
He just went on quietly working  
For the ones he loved the most*

*His dreams were seldom spoken  
His wants were very few  
And most of the time his worries  
Went unspoken too.*

*He was there...A firm foundation  
Through all our storms of life  
A sturdy hand to hold on to  
In times of stress and strife.*

*A true friend we could turn to  
When times were good or bad  
One of our greatest blessings  
The man that we called Dad.*
