When tomorrow starts without me

And I'm not here to see
If the sun should rise and find your eyes
All filled with tears for me

I wish you wouldn't cry
The way you did today
While thinking of the many things
We did not get to say

I know how much you love me
As much as I love you
Each time that you think of me
I know you will miss me too

When tomorrow starts without me

Please try to understand
That an angel came and called my name
And took me by the hand

The angel said my place was ready
In heaven far above
And that I would have to leave behind
All those I Dearly Love
