**Together Forever Someday**

Well, It's hard to say goodbye and let go  
And it's hard to see it end  
When the mem'ries we've just made  
May never happen again.  
But it's hard for time to ever erase

The together times we've shared.  
So, when we're apart remember  
All the love we shared together.

And for all that love,  
Thank the Lord above  
Who showed us the way  
That we can be together, forever someday.

- Michael McLean
