## Pre-K

**Mrs. Beth Kobliska**  
**Mrs. Joanna Davis**

### Our Week

While continuing with our Outlook unit, we have studied about Moses and also the story about Jesus attending a party. We learned about the different shapes and designs of leaves as well as what they do. We found out that in Australia, there is an "I'm Sorry" day and we discussed how important it is to apologize when we've hurt someone. We enjoyed playing dominoes together and spent time practicing the sound of the letter Y.

### Letter of the Week

The letter of the week will be **Zz**.

### Graduation Program

Pre-K and Kindergarten will all be participating in our graduation program on May 18. Be sure to save the date!

### Snack Days

Monday April 19: Ella, Tuesday April 20: Fletcher/Fallon, Wednesday May 21: Ethan, Thursday May 22: Joseph

## Kindergarten

**Mrs. Beth Kobliska**

### Theme

Next week we will continue our *Moving On* theme with *Arbor Day Square*, a book that follows Katie and her family, pioneers on the prairie, as they plant new trees and watch them grow along with their new little town. During Bible class, we will enjoy learning how thankful Abraham and Sarah are to God when Baby Isaac arrives, showing that God really does keep His promises. Our memory

verse is: "God, I will give you thanks forever!" Psalm 30:12

### Letter of the Week

We have finished the 26 letters of the alphabet and will spend the next few weeks learning about some common digraphs. Our first one will be the /sh / sound.

### Reading

Have you been listening to your child read at home? At school, we're reading several different ways each day. We're blessed that Gracie's grandma, Denice Hanan, volunteers to listen to students read 4 days a week. Plus we do phonics, sight word flashcards, secret word reading and read alouds with our color readers. Keep practicing at home! It really helps with their progress!

### Graduation

It's hard to believe, but our school year is coming to an end. We will be having our graduation program on Tuesday, May 18 at 7 PM. Save the date now and be sure to invite your family members.

## 1<sup>st</sup> & 2<sup>nd</sup> Grade

**Mrs. Kay Sutherland**

Please encourage your child to read next week. Reading Logs are due every Friday!

### We finished our unit on Joseph!

You may want to look at your child in his/her coat of many colors on facebook. We will show you the ones each child wove at the art festival.

We had a mini **Easter** unit this week. We talked about all the promises Jesus kept and how He has promised to come again and take us home. He will keep that promise too!

You can still turn in money on-line today and have it count toward our class total. We are anxious to know to know how much money was earned for the orphanage in Uganda.

We took a break from Spelling Tests last week so we could celebrate Easter. So the words are the same as posted for last week. First grade will be over the words from the last 4 lessons.

Spelling Test for second grade will be over these /sh/ words from lesson 25: dish, finish, fish, shoe, ship, should, show, shut, wash, wish, \*shelf, \*shoes, \*shore.

This week in 5/6 grade Bible we have been learning about how God sets us apart as his child and for his work. We learned about prophets who were set apart for a special work like Elijah and John the Baptist. We are studying about baptism and what it means to be baptized.

English is a review of sentence types and punctuation. Students need to continue to read from their AR books and take AR quizzes.

Math for 5th grade is fractions. They are learning to find common denominators and reduce fractions. 6th grade is learning how to make a problem solving plan to solve multi-step problems.

How do lenses and mirrors reflect light? Those are some of the interesting questions we are answering in Science. We are also learning about light and sound waves.

In social studies we are learning about ancient Rome. We will connect what we know about Rome from the Bible to the history of Rome we are reading about in our history book.

Have a great weekend!

## Library Mrs. Jeanie Davis

A BIG Thankyou to everyone that has donated books to the library.

**Last Week's Question:**  
What is the World Series?

**Answered by Cole Summers**  
On October 1, 1903 thousands of fans poured into the Huntington Avenue Baseball Grounds in Boston. All 9 thousand seats were filled and 7 thousand more fans were sitting on fences and standing behind ropes to watch the game. Cost was \$1.00 for seats and fifty cents for standing. Check out the book and learn more interesting facts.

**-Question of the Week -**  
What were the twin towers?

1. How many stories tall were they?

2. What was the guy's name that walked a tightrope between them?

See you in the library!
