

## *Our Broken Chain!*

*Mom, how little did we know, that God would call your name,  
In life we loved you sweetly, in death we'll do the same.*

*It broke our hearts to lose you, You were not alone,  
For part of us went with you, The day God called you home.*

*You left us beautiful memories, Your words are still our guide,  
And though we cannot be with you, We know you're by our side.*

*Our family chain is broken, and nothing seems the same,  
When God calls home, Our family will link again.*
