and I will give you rest. Take my yoke upon you and

The Life of Mary White

Mary L. White-Nichols, loving sister, auntie, and friend, passed in the early hours of August 1, 2022 after a long battle with her health. Mary was born March 10, 1962 and grew up surrounded by her large family in Gardena, Ca. Mary is survived by her 4 sisters: Michelle White, Stephanie White, Tina White and Stacy White and a multitude of nieces, nephews grandnieces and grandnephews.

She is preceded in death by Her husband; Jimmy Nichols, Her parents; Ruth and Richard White, Her sister; Lorraine Anderson, Her 3 brothers; Ronnie Anderson, Michael Anderson, and Craig White. And her nieces; Tawanda "Mookie" Polnitz and Nayshawn Coleman.

Mary was influenced by her large family family meant the absolute most to her. Family inspired her to be a kind, nurturing, and caring woman; and although she did not have kids of her own, Mary was the child whisperer and played a huge role in the upbringing of most all her nieces and nephews and their children. She spoiled them and took them on adventures they never thought they'd experience such as: journeys to the beach, Christmas parades, the theatre, bike rides on the canal and so many other places.

Mary loved Jesus-Christ and was a God fearing woman who kept a bible on her! Mary fell in love with Jimmy Nichols who introduced her to their church home, Shepard's House Christian Center, where she and Jimmy were very much so involved in church and was married by their beloved pastor, Sam and Sharon Martinez.

Mary will forever be remembered as funny, outgoing a true kid at heart. She loved animals and didn't play about her music. She loved Whitney Houston, Mariah Carey and R. Kelly to name a few. She also loved her movies. If she didn't make it home in time before her stories, oh that was a problem! She was not gonna miss her General Hospital. Mary was the time keeper of the family and she stayed taking photos and storing them in photo albums, large frames and home movies on VHs. There isn't anyone she didn't have a photo of. She will be deeply missed by all of her family and friends.

We now ask that you take a moment to hug your child, your mom, your grand kids, your cousins, your friends or walk in nature for a moment, an hour, or a day. Time waits for no one. Love will see us through.

"Sometimes you'll laugh, sometimes you'll cry. Life never tells us, the when's or why's but When you've got friends and friends and family to wish you well, you'll find your point when you will exhale."

Let Me Go

When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free?
Miss me a little, but not for long
And not with your head bowed low
Remember the love that once we shared
Miss me, but let me go.
For this is a journey we all must take
And each must go alone.
It's all part of the master plan
A step on the road to home.
When you are lonely and sick at heart
Go to the friends we know.
Laugh at all the things we used to do
Miss me, but let me go.
