

*God saw he was getting tired
And a cure was not to be,
So He put His arms around him
And whispered, "Come with Me."*

*With tearful eyes we watched him suffer
And saw him fade away,
Although we loved him dearly
We could not make him stay.*

*A golden heart stopped beating
Hard working hands to rest,
God broke our hearts to prove to us
He only takes the best.*

Amazing Grace

*Amazing grace! how sweet the sound,
That saved a wretch; like me!
I once was lost, but now am found,
Was blind, but now I see.*

Long May You Run

Song by Neil Young

*We've been through some things together
With trunks of memories still to come
We found things to do in stormy weather
Long may you run*

*Long may you run
Long may you run
Although these changes have come
With your chrome heart shining in the sun
Long may you run*

*Well, it was back in blind river in 1962
When I last saw you alive
But we missed that shift on the long decline
Long may you run*

*Long may you run
Long may you run
Although these changes have come
With your chrome heart shining in the sun
Long may you run (long may you run)*

*Maybe The Beach Boys have got you now
With those waves singing, "Caroline, no"
Rollin' down that empty ocean road
Gettin' to the surf on time*

*Long may you run
Long may you run
Although these changes have come
With your chrome heart shining in the sun
Long may you run (long may you run)*

*Long may you run
Long may you run
Although these changes have come
With your chrome heart shining in the sun
Long may you run*
