

PRAYER TOPICS

Weekly Prayer beginning Monday 3rd January

May you all be blessed in this New Year

1. In this first week of the New Year what are your hopes and dreams, Covid free? Sunshine holiday? Good health? Passing exams?
2. What do we want to see in our Church? New IT equipment? Less restrictions on meetings? More additions to the Church Family?
3. What does God want this New Year? Does he want a closer walk with us as individuals and as his family?

What order would I put these questions in?

For prayer this week it would be great if we could spend time giving God praise for what he has done over the past year, for the way he has sustained us in the highs and sometimes very lows.

Then spend an equal time listening to God in silence. Act on his promptings, if he gives a word record it in a journal, if he gives a scripture, share it with others so that the whole Family of Christ can be enriched.

Do this in expectation. He loves to communicate with you.
