# FAMILY MATTERS

## REFLECTING CHRIST

"The home is an institution of God. God designed that the family circle, father, mother, and children, should exist in this world as a firm. . . . All members of the family center in the father. He is the lawmaker, illustrating in his own manly bearing the sterner virtues: energy, integrity, honesty, patience, courage, diligence, and practical usefulness. The father is in one sense the priest of the household, laying upon the altar of God the morning and evening sacrifice."
