

Volunteers

Buena Vista acknowledges its partnership with parents to provide Christian excellence in education. Your child(ren's) educational experience and the success of our school is directly affected by the amount of volunteer effort put forth. No small group can fulfill that need, but together it can be accomplished with joy.

As indicated below, there are a variety of opportunities to serve throughout the school year. Parents are asked to choose an area in which their time, talents, and interests may best be utilized. Please check the areas in which you are interested in serving. Every level of participation is valued and appreciated.

Please return this completed form with your registration packet to the school office.

Thank you and God bless you.

Name _____ Phone Number(s) _____

Email _____ Grade (s) _____ or General _____

Thank you very much for your donation of time. Buena Vista is blessed by your efforts.
