MPA Community Center
- 10/18 Half Day/Teacher Study G  
SPIRIT DAY – SILLY  
SOCK
- 10/28 No School – Parent  
Teacher Conferences. Call  
to reserve time now!

## Warm Boundaries

We have hundreds of boundaries in action at APCS every day. We say “Watch out for cars. Don’t take all the crayons. Keep your hands to yourself. Be in your seats by 8:15. Turn all your homework in. Apologize if you hurt someone. Raise your hand.” Our students know where to sit at chapel. Our students wait to eat lunch until lunch time. Our students wear spirit day shirts on Fridays. They know the rules!

It takes both affection and structure for children to become secure, happy adults. We call this warm boundaries. We create safe, reasonable guidelines. We make sure that training includes lots of creativity. And we give many high fives and hugs with our instructions and directions. Most of all we keep our goal focused on learning, growing and shining as God’s children.

Erin Miller

## KEEP TURNING IN BOX TOPS!

Thank you for turning in box tops and food labels. We have been able to get both playground and classroom equipment with the money we have received from them. This program is moving to a digital format so look for changes!
