## Summer = FUN & FRIENDS

Hello! my name is Ethan Alexander. I attend *Wyoming Valley SDA Elementary School*. During my summer break, I have had an amazing time with my family and friends.

My mom is always looking for something fun and free or very economical for us to do. One of the best times I had, was meeting up with my school friends at the pool. I had the best time ever! It was good seeing my friends outside of school. I am looking forward to doing more great activities like camping with my family before summer ends.

Last, but not the least, this summer I receiving a post card from my teacher encouraging me to not only enjoy summer, but to keep studying and always keep God close in my heart.

## Home & School

Our *Home & School Association* has been active throughout the summer planning fundraising activities and facilitating field trip opportunities for our students. It is our goal to send each of our eligible students to *Outdoor School* and to *Music Fest* next spring. The *H & S*, parents and students are working to raise funds to off-set the cost. Help us reach our goal by donating to *H & S* or volunteering to assist at one of the fundraisers. Be part of the blessing!

## NEWS FROM LAURAL LAKE CAMPERS

Hi, This is Alex. I had so much fun at LLC this year! I would love to go again next year. We registered and chose the cabin Juniper. After my swim test and dinner, I settled in. My activities were horseback riding, mountain biking, and photography. For horseback riding, I learned how to brush, lead, and ride a horse. During photography, I went around to different activities and took pictures. My favorite part was evening worship. Pastor Tom's stories and the skits were great. I really liked camp this year.

**Jake reporting.** Laurel Lake Camp was extraordinary this year and I especially liked the worship time! When we arrived, we chose the cabin named "Juniper" and we went down to boy's village to unpack. When I saw the cabin counselor, I could tell he was going to be the best. Four more boys joined our cabin to total eight. Worship was my most favorite part about camp. Pastor Tom made worship so fun and easy to understand! All four WVSDAE boys went to the horse barn to ride horses. Then, Erik, Ronald, and I went to the lake. Swimming in the lake was fun. After line call and lunch, all the boys went back to boy's village for a two-hour rest period. Later, Erik, Ronald, and I went to the archery field to do some archery. We ate our meals at Baker Lodge. All the food at LLC was very delicious. After dinner, we would have fun-time. We could go to the pool or play dare base. At evening line call, we lowered the American flag. Then headed to a chapel in the woods for worship. Again, Pastor Tom made it interesting and fun to listen to worship. I also loved the skits that the staff put together. They re-enacted Bible stories. After worship in the woods, we would head back to the cabin for some rest. This schedule repeated every day until camp was over.

We are excited to announce that Eli-Michelle was baptized this summer while at Laural Lake Camp!

Eli, we pray God's continued blessing as you walk with the Lord.
