

*God saw you getting tired  
And a cure was not to be,  
So he put his arm around you  
And whispered "come to me".  
With careful eyes we watched you  
We saw you pass away.  
Although we love you dearly,  
We could not make you stay.  
A golden heart stopped beating,  
Hard working hands to rest.  
God broke our hearts to prove to us  
He always takes the best.*
