### Santorini

#### Island Hopping and Sunset Cruise

**\$160 USD 5/12/2024**

Make the most of a day at leisure and see all that Greece has to offer with an island-hopping adventure! Set sail for the tiny islet of Nea Kameni – an uninhabited island that is formed on an active volcano. Make your way up the side of the still-active volcano with your local guide, pausing at the top of the crater for unparalleled views. After exploring, return to the boat to set off for your next destination – Palea Kameni. Similar to Nea Kameni, this islet is also of volcanic descent. Jump into the water and swim to the island's rejuvenating hot springs, where you will find ethereal sulfuric waters and therapeutic mud - or choose to relax on the boat. Continue on to Thirassia, an authentic island that embodies the traditional culture of Greece. Enjoy a Greek buffet onboard and take in an unparalleled view of the island as you dine. After dinner, make a stop close to Oia as the sun sets. Marvel as the sky turns shades of orange and gold before sailing back to port. This option needs to be pre-purchased one week prior to departure. Availability for purchase while on tour is not guaranteed. *Duration: Approximately 7 hours.* Please note a minimum of 10 passengers is required. Transportation is included.

### Mykonos

#### Flavors of Mykonos

**\$119 USD 5/8/2024**

Immerse yourself in the flavors of the Cycladic Islands during a tour of Mykonos' culinary gems. Begin the morning at a local farm where you learn about the traditions and history of cheese making, a craft that in Mykonos achieves almost the status of a local art form with secrets passed down through the generations. Sample Xinotiro, Kopanisti, and Vrasto cheeses and freshly-made yogurt, all produced at the farm. Later, explore more flavors of the island at a local bakery before visiting Ano Mera, a traditional rural village with picturesque whitewashed chapels and iconic blue trimmings. *Duration: Approximately 7.5 hours.* Please note a minimum of 15 passengers is required. Transportation is included.

#### Ancient Delos: Apollo's Sacred Island

**\$149 USD 5/9/2024**

Take a step into the past with a half-day excursion to the island of Delos, the fabled birthplace of Apollo and Artemis. After a quick 30-minute boat ride, allow your guide to introduce you to this sprawling UNESCO site. See how the Greek myths intertwine with prehistoric ruins, passing through narrow streets from the Hellenistic age. Tour the awe-inspiring House of Dionysus, a relic from the 4th-century BC containing ancient mosaics and preserved columns. Peruse the Temple of Apollo, the Sacred Lake, and the guardian Naxian Lions with your guide before enjoying time to explore independently. Take in views of the Sacred Island of Delos as you ferry back to Mykonos. Duration of guided tour is 90 minutes and is subject to favorable weather conditions. This option needs to be pre-purchased 10 days prior to departure. Availability for purchase while on tour is not guaranteed. *Duration: Approximately 4 hours.* Please note a minimum of 15 passengers is required. Transportation is included.
