THE LIFE AND LEGACY OF

Zayla

MICHEAUX NIXON

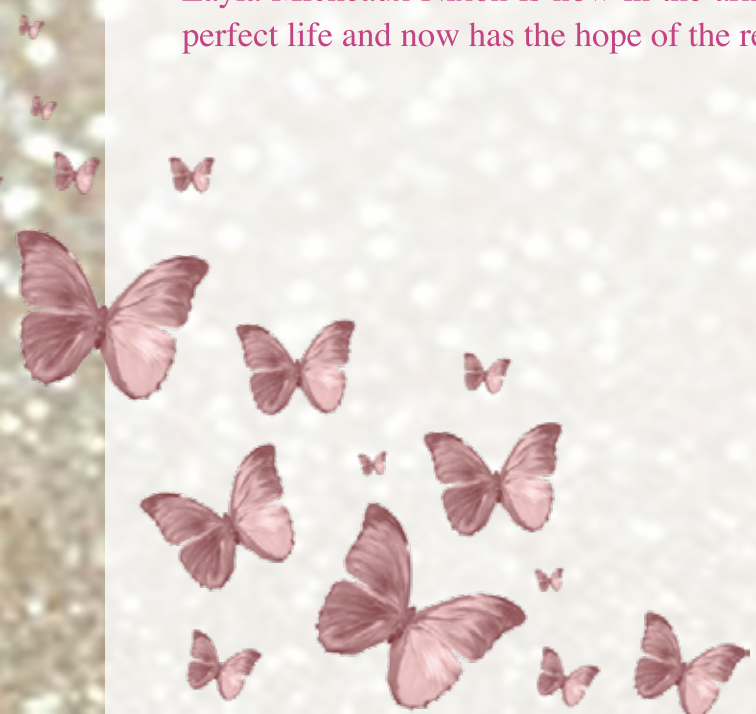

Zayla Micheaux Nixon was born October 14, 2022, at 6:59am at Centennial Hills Hospital. Zayla Micheaux Nixon was very loved and cherished by her loved ones.

She was a true overachiever as soon as she arrived in this world. Her favorite place to be laying against her parent's chest while looking in the mirror. She loved how beautiful she was as did anyone who got the chance to know her. She loved massages after her warm baths to keep her soothed through the night. She loved kisses on her cheeks and taps on her nose because she knew it looked like her mommy's.

Zayla was a calm, happy baby girl. Her smile and overall energy would effortlessly light up any room she was in. Zayla Micheaux Nixon's name will be alive as long as we breathe. Our heart. Our Princess. Our Angel. Zayla Micheaux Nixon.

Zayla Micheaux Nixon leaves here to carry on her legacy, her maternal Great Grandparents Dale and Janice Cooper, Grandparents Keith & Teri Lopez Delgado, Grandparents Marlo Silva & Mike Nixon, Auntie Aerin, Auntie Jordyn, Auntie Kai and Uncle Ashton, Uncle Josh, Uncle Logan, and lots of cousins.

Zayla Micheaux Nixon is now in the arms of our Heavenly Father Jehovah God. Zayla lived a perfect life and now has the hope of the resurrection.

THE LOVING TRIBUTE TO

Zayla

MICHEAUX NIXON

To my Princess,

Zayla since the first time I heard your heartbeat and felt your flutter kicks, I just knew this was gonna be a different kind of love. I was scared, but so knew I would be enough for you. You are so loved and I can't thank God enough for the gift he'd given me. You saved me from a dark period in my life when I found out about you and I can't thank you enough for it. You made me into the woman I am today and I'm so grateful to you for choosing me to be your mommy. I will love you the rest of my life doing right by you and make you proud to the best of my abilities. I will keep your name alive for as long as I breathe. My first born. My whole heart. My Princess. My Angel. Zayla mommy loves you so much. I can't wait to see you again my heart. Please take care of mommy and daddy from above baby, Rest in peace my beautiful princess

Zayla.

Love, Mommy

My Dearest Zayla,

GlamMa's other Mini-Me. The time we had together was short but well spent. GlamMa helped deliver you on 10/14/2022. Your mommy did a great job. It was one of the most exciting moments of my life I cried, tears of joy. Today as I write this letter to you, I cry tears of sadness knowing I can't hold you in my arms and kiss you under the neck or just hold a conversation with you about how I feel. I'm so happy I got to spend time with you. You brought me so much happiness. The imperfect side of me will never understand why this had to happen, why my Zayla? Only Jehovah knows and you are with him now. The safest place for you and the spiritual side of me knows and understands that. You lived a perfect little life.

P.S. Zayla, I see you at the age of 2 years old running to me screaming GlamMa I pee pee'd in the pot. I see that vision of you every day. Soon there will be life without end at last John 3:16

Love You Always, GlamMa Teri

Zayla,

I will forever be grateful to have been present when you took your first breath.

I will eternally cherish each time I saw and held you.

I will always be proud of the strong, smart and beautiful granddaughter you were.

But most of all I will love you forever.

Love, Grandma Marlo

Dear, sweet, smiling Zayla,
I didn't get to hold you or kiss you chubby cheeks while you were here but I know Jehovah knows and remembers everything about you. This hope keeps you in my heart and I will hold and kiss you my love when Jehovah resurrects you and all those who died before they had an opportunity to know him. With much love and many kisses.

Your Great Grandma Janice

To my Dearest Niece,
I know I only got to be with you for two days, but in those two days you gave me so much warmth and encouragement I needed to tell myself keep going, you have a new purpose . That purpose was you. I had been so lost in my thoughts and confused. You made everything clear. It was clear that I needed to love again and keep loving. I wish I had more time with you but more time will come. I love you always and forever.

Love, Auntie Aerin

To Zayla Micheaux,
The mark you imprinted upon us will be everlasting. I remember the day I named you and the honor I felt when your mom passed you my middle name. The joy was remarkable because that's also the day I knew just how much I meant to my sister for her to pass my name to you. You are with me for eternity. From your eyes to your toes, you were pure of all things. The love I have for you is forever w/ you watching over my Zee. I thank & love you for being my niece and my sisters everything.

Love, your uncle Ashton Micheaux

To my baby girl,
I love you so so much you are the greatest thing that has ever happened for you momma and I. Words can't explain how much I love you and miss you. The hardest thing I've ever done is live this life without you. I hope our soul find each other again. I love you Zayla Micheaux Nixon.

Love, Daddy
