Wonderfully Made Theme

Next week we will be reading our final book for this theme. It is called *Happy, Healthy Me* and it weaves the eight laws of health through several short stories about a Japanese-American boy named Hiromasa.

Bible

In Bible we will study the part of Daniel's life where God gave him a dream about when Jesus comes back. Our memory verse is: *"I will come and get you, so that you will always be with me."* John 14:3

Snack Helpers

Snack this week will be provided by: Monday, Rhett; Tuesday, Tinsley; Wednesday, Brooke; Thursday, Emily

Focus Concepts

Next week we will learn about the letter **Vv**, the trapezoid .and review the numbers 1-10.

Kindergarten Readers

Again, I'd like to remind the kindergarten parents that we are really working hard on our phonics/reading books. We read a lot at school and the kiddos need to be practicing them as much as possible at home as well. They are experiencing a lot of positive growth right now and the extra practice really helps that growth continue. Thanks for all your work partnering with us to help them.

1st & 2nd Grade

Mrs. Kay Sutherland

I hope your winter break was wonderful!!! I went to **Colorado** for **Encounter Bible training the first four days of this week.** I love the new curriculum and how it really focuses on helping our children encounter Jesus for themselves.

We are learning about our bodies in **Science class right now.** Please talk to your children about things they can do to stay healthy.

Spelling assessments for 1st grade next week will be over the words in lesson 19: now, how, down, town, our, out, about, *vowel, *south, *round.

Spelling assessment for 2nd grade next Friday will include these words from lesson 19: books, could, dear, ear, full, hear, here, took, wood, would, *looked, *stood, *year

3rd & 4th Grade Mrs. Eva Hill

☺ We **LOVED** the Valentine **"breakfast" lunch** that was served just before our winter break! Thanks so much to our Home and School moms and dads for preparing such a special meal for us. It was delicious!

☺ **Chapter 7 social studies test** is next Monday. Your child should keep their notes in their backpack and read through them regularly to prepare for each upcoming test.

☺ **Our next science chapter focuses on weather** and climate. Each student will be keeping a Weather Record Chart for a week, recording high and low temperatures, wind speeds, and precipitation. They will bring the chart home on Friday, and record information on it throughout next week, February 24 through March 2, before bringing it back to school on Monday, March 4.

☺ **Multiplication!** The ability to quickly recall these facts remains a major focus

of math throughout the year. There are so many ways to review and practice. Please help your child remember to pick a way to practice their facts regularly. It will help them so much in math!

☺ **Spelling words from lesson 22** will be tested next week.

☺ **Treasure verse quiz next week is:** "Serve only the LORD your God and fear him alone. Obey his commands, listen to his voice and cling to him." Deuteronomy 13:4 NLT

5th & 6th Grade Mrs. Janet Lopez

In Bible this week we had discussion groups who read and discussed the Bible stories from 1 Kings and 2 Kings. We made cartoon like pictures to illustrate the stories.

In Language Arts we continue to read "Too Much Salt and Pepper." We worked on Spelling and Vocabulary.

In Science we started creating Google Slides to illustrate our unit on the Ocean.

Social Studies is about Early Cultures and Religions. We have covered Hinduism, Judaism, and Buddhism.

Remember to read for AR points. Study for Friday Vocabulary, Spelling, and MV quizzes.

Have a great weekend!
