More Geology

Enjoy the photos of our experiments! This week we'll be exploring magnetic sand and studying more about the 3 types of rocks.

Lifestyle Challenge

Remind your child to continue the morning challenge of making a personal positive statement and recording it on the yellow card. The cards should come to school on Friday for a check-in, sharing, and a sticker.

This Week -

We're finishing the life of Jacob by making a timeline of his life. While studying Jacob's life, we've learned so much about how God keeps His promises and can be trusted. We'll also continue memorizing more verses of Psalm 91 with sign language.

Inauguration Day

On Wednesday we'll have a special lesson about what happens on Inauguration Day. If possible, we'll also watch some kid-friendly video clips of the event.
