

Life is not measured by the breaths we take,

but by the moments

that take our

breath away.

What we once enjoyed

What we once enjoyed and deeply loved
we can never lose, For all that we love
deeply become part of us

~ Helen Keller

I'm There Inside Your Heart

Right now I'm in a different place
And though we seem apart
I'm closer than I ever was,
I'm there in side your heart.

I'm with you when you greet each day, and
while the sun shines bright,
I'm there to share the sunsets, too
I'm with you every night

I'm with you when the times are good
to share a laugh or two,
And if a tear should start to fall
I'll still be there for you.

And when that day arrives
That we no longer are apart,
I'll smile and hold you close to me,
Forever in my heart.

In Loving Memory
