Our Sweetheart

Our precious baby girl, Tilaima Jennika Su'a, (aka "TJ"), was born at the Advent Health Hospital in Killeen, Texas on July 20, 2023. Weighing 7lbs and 1oz, she was the beloved daughter to Tofa'i and Litea Su'a and little sister to Elias Su'a. She is named after three of the strong-willed women in her family; **Tilaima**, maternal grandmother, **Jennifer**, maternal aunt and **Fenika** paternal aunt. TJ would light up any room she went in with her big smile and infectious laugh. She would draw you in with her beautiful eyes so bright that it would melt your heart. TJ was a playful, happy baby and gave the best cuddles. One of her favorite things to do was to play with her big brother and watch dancing fruit videos. When it came to her parents, she was a daddy's girl and only favored mommy when she was hungry or tired.

TJ went to be with the Lord and our passed loved ones, on Wednesday February 7th, 2024. We are comforted knowing that she has joined all of our late loved ones including, great-grandma Litea Tali.

TJ was a shining light throughout all 6months and 7 days of her little life. She will be missed by all who love her but we will carry on knowing that her light will always be shining over us until we meet again.

Until that beautiful day, sweetheart, we will hold your memory in our hearts and souls.
