

We're going to Miss You

We miss you more than words can say
We miss you more each and everyday

No matter how hard life may have got, you was
always by our side, because you cared

We're going to miss all the talks, all the jokes, all
the laughter, and all the love we shared

You had so much you wanted to do, and now
our hearts are left heavy, because you've gone
way too soon

You spoke many times of the plans you had in
mind

Little did we know you would slip away and
leave us all behind

God had other plans in stored for you, and
God will help us make it through

We're going to miss you
such a great son
such a great brother
such a great friend

We're going to miss you and forever cherish
you and always love you
