# Obituary

Carl Randy Green was born to the late Marshall and Marie Green on June 17, 1956. He was their fourth and youngest son. He attended Savannah-Chatham County Public schools for elementary and transitioned to a specialty program after elementary school for additional support for his disability where he learned life skills and was able to get a job. He worked at several businesses in the community in his younger years. Carl was baptized as a child and raised up in the Baptist church. He went on to live a full life despite his disability. On May 21st, 2024, before daybreak, the Lord welcomed him into his arms, where he can rest without the troubles of this world.

He had a sweet spirit, a giving nature, and a no-nonsense way about him. He will be missed by family and friends. He was proceeded in death by his parents Marshall Duncan Green and Marie L. Green, his brothers, Alvin (Renate) Green of Germany, and Marshall Green Jr. of Savannah. He is survived by an aunt, Thelma Nelson, a brother Donald Green, and a sister, Sharon (Rev. Curtis) Lemon of Savannah, and a host of nieces, nephews, cousins, extended family, and friends.
