IN LOVING MEMORY

Smile

A smile costs nothing, but creates much; it happens in a flash and the memory sometimes lasts forever; it cannot be bought, begged, borrowed, or stolen, but is something that is no earthly good to anyone until it is given away.

So if in your hurry and rush you meet someone who is too weary to give you a smile, leave one of yours. For no one needs a smile quite so much as he who has none to give.

Dale Carnegie's book,
"How to Win Friends & Influence People."*
