

WHISPERING PINES SDA SCHOOL

PASTOR'S CONFIRMATION LETTER

Dear Parent/Guardian:

The Whispering Pines School (WPS) is a Seventh-day Adventist educational facility, supported and operated by the Atlantic Union and Greater New York Conference of Seventh-day Adventists. It is also funded in part by a constituency of two churches, the Old Westbury S.D.A. Church and Hempstead S.D.A. Church. Because WPS is subsidized by these entities, pre-established discounts are applied to the monthly tuition fee of any child whose parent or guardian holds membership in them.

In order to calculate any discount that may be due to you, it is necessary that each year we certify your membership within the Seventh-day Adventist Church. Please complete the section below, have it signed by the pastor of your church, and return this to WPS no later than June 30 (those who register in August must return the form before the first day of school). In the event this form is not returned by the requested date, no discount will be applied, and your child(ren)'s account (s) will be charged the full tuition. Fees may be adjusted effective the month immediately following receipt of this letter. However, please note that there will be no adjustments made retroactively.

We thank you for your cooperation and assistance.

If you are not a member of the Seventh-day Adventist Church, it is not necessary to complete this form. In such an event, please check here, and return with your application: _____
