## The Family Communiqué

**CVA's 9th ANNUAL SUMMER SPLASH:** Join us tomorrow, Sunday, July 19 at Star City Shores from 10:30am to 12:00 noon courtesy of CVA. All College View Academy PreK-12 families are invited as well as any church family, or alumni. Bring your friends too. Come and cool-off in the water with friends and classmates. Adults, sign up for two drawings which will happen at the end of the event: a \$25 Target gift card, and an ASUS Android Tablet. - You have to be present to win, and we cannot have unaccompanied children at the event—There will also be several drawings for the children. Enjoy the fun, fresh air, and fellowship. See you all there!

**My name is Norma Shepherd and I work for the Oklahoma Conference of Seventh-day Adventists.** We have partnered with the Korean Union and their SDA Language Schools. They are seriously in need of teachers. We are looking for people who might be interested. The schools prefer 18-35 year olds. The position is for teaching conversational English and Bible classes and outreach on Sabbaths. The person must be a citizen of USA, Canada, Britain, Australia, New Zealand or South Africa. They also are required to have a bachelor's degree from one of those countries. This is a salaried position with health insurance. It is also approved through the North American Division and the General Conference. **As of today we also need three Elementary School teachers to teach conversational English for the Korean Union. This is an urgent need as they need to be there mid-August! Same requirements but Elementary teaching experience greatly helpful!** We feel that this ministry is helping to spread the word of God's love for us and His Son's soon return. Thank-you so much, Norma Shepherd, Korean Mission Coordinator, Oklahoma Conference of Seventh-day Adventists, [koreanmission.ok@gmail.com](mailto:koreanmission.ok@gmail.com), (405) 761-0655

**College View Academy Preschool is currently accepting students for the 2015/16 school year.** At CVA Preschool our students gain knowledge through a variety of ways: social, language, beginning math & number, letter recognition and pre-writing skills. Students explore the world around them with hands-on activities in science and creative experiences with art & music. Group times provide opportunities for singing, movement, stories, and sharing. We believe the key to all is the development of student's faith through Bible stories, songs, prayer. I am excited to share more about our program with you if you have additional questions or would like to tour our classroom. Contact Shannon Chilson at [schilson@cvak12.org](mailto:schilson@cvak12.org) or text 402.730.1343 for additional information.
