

In Remembrance of

*They talk about a woman's sphere,
As though it has a limit;*

*There's not a place in earth or heaven,
There's not a task to mankind given,*

*There's not a blessing nor a woe,
There's not a whispered yes or no,
There's not a life, or death, or birth,
That has a feather's weight of worth...*

Without a woman in it.
