

Everything on Earth has its own time and its own season.
 There is a time for birth and death, planting and reaping,
 for killing and healing, destroying and building,
 for crying and laughing, weeping and dancing,
 for throwing stones and gathering stones, embracing and parting.
 There is a time for finding and losing,
 keeping and giving, for tearing and sewing, listening and speaking.
 There is also a time for love and hate, for war and peace.
 I know the best thing we can do is to always enjoy life,
 because God's gift to us is the happiness we get from our food and
 drink and from the work we do.
 God has done all this, so we will worship him.

In Loving Memory
