

Dear 5th/6th Grade Students and Parents,

I hope you all are having a wonderful summer! I am looking forward to meeting each of you as we head into this next school year.

For those of you who do not know me, I am a recent graduate of Pacific Union College where I received my Bachelor of Science in Liberal Studies along with CA state and Adventist credentials. I am currently engaged to my incredible fiancé, Kyler Martin, and I look forward to becoming Mrs. Martin just before Christmas. I absolutely love the outdoors and some of my favorite hobbies include reading, baking, horseback riding, surfing, camping, and participating in just about any sport I have the opportunity to play.

We have a fun year ahead of us and I am especially excited for the curriculum it entails. We will explore U.S. history while incorporating interactive activities that will help you understand what it was like to be there. In science we will study the fascinating way God created us as humans. We will also have the opportunity to dive into the new Encounter Bible curriculum where you will get to experience God in a personal and hands-on way. And that is just the start!

Attached to this letter, I have provided a list of supplies that I would like each student to bring with them to school. You are not limited to this list, but I tried to include the essentials. Donations throughout the school year will also be accepted in terms of tissues, Clorox wipes, hand sanitizer, etc.

Once again, I am eager to get to know each and every one of you when school starts. Until then, I pray God keeps you and your families safe as you enjoy the rest of your summer.

**Sincerely,
Miss Ferris**
