

Our lives go on without you  
But nothing is the same  
When someone speaks your name.  
Sad are the hearts that love you  
Silent are the tears that fall  
Living without you is the hardest part of all  
You did so many things for us  
Your heart was so kind and true  
And when we needed someone  
We could always count on you  
The special years will not return  
When we are all together  
But with the love in our hearts  
You will walk with us forever.
