Memories

A Celebration of Life

Hansel "Hans" Ray Andrewson

Hansel "Hans" Ray Andrewson was born on November 19, 1953, in Belleville, KS, the son of Arnold Charles and Dorla (Perkins) Andrewson. He graduated from Clyde High School in 1971 and furthered his education at NCK Technical College in Beloit, KS. On June 6, 1975, Hans was united in marriage to Anne Kristine Alkire in Concordia, KS.

He was a retired operator/utility man for Enterprise Products in Conway.

Hans was a member of First Christian Church, McPherson.

When Hans was not working, he was a family man at heart. He loved attending all of his children's, and his later grandchildren's, sports and activities. He and Anne loved to spend time together gambling and travelling. They made many trips to Minnesota and Texas throughout their years together. He held several hobbies including watching soccer, antiquing, fishing, working on his 65' Dodge Coronet, and spending Friday afternoons at Hanks with his buddies. He was proud of his family's Norwegian heritage, as lots of you may have known him as the "Norwegian Stud Warrior". If you knew Hans, you knew his sense of humor. He could always brighten a dull moment. He was always so gracious and never expected anything in return. He truly was the best of the best.

Saturday, December 2nd, 2023, Hans went out in a burnout, just the way he had wanted to one day, as he told a friend a few days earlier.

He was preceded in death by his parents and siblings, Sonja Taylor, Tyrone Andrewson, Andy Andrewson, and Monti Andrewson.
