

Recounting His Blessings

“There are lessons to learn daily in regard to offering praise and thanksgiving to God. To praise God and glorify him in the fulness and sincerity of heart is as much the duty of those who love God as is prayer. We are to show to all the heavenly intelligences that we appreciate their ministrations, and that we are expecting and waiting for the goodness and mercy and large blessings of God. Never should we lose sight of his wondrous love for the fallen human family. We are under obligations to God to offer thanksgiving. Whoso offereth praise glorifieth God. After a special outpouring of his Holy Spirit, our cheerfulness, our helpfulness, our joy in the Lord will be increased by recounting his goodness and his wonderful works to the children of men. This will make the Christian courageous and yet simple and trustful as a little child” Spalding & Magan Collection, p. 148.
