Wonderfully Made Theme

Next week we will continue to study *The Busy Body Book*. This book will teach us all about the different systems of our body and how we can take really good care of ourselves. In Bible, we will talk more about the story of Daniel in the king's palace and keep working on our memory verse which is "Choose what is right and reject what is wrong." Isaiah 7:15

Hundredth Day of School

The kids had a great time celebrating 100 days of school on Wednesday. They enjoyed stacking 100 cups, finding 100 chocolate kisses and stringing 100 fruit loops into a necklace. The icing on the cake was getting to see all the fun, creative projects you families came up with to share 100 items. Thanks so much for helping make our day so special!

Snack Helpers

Snack this week will be provided by: Monday, Grace; Tuesday, Jonathan; Wednesday, Kinsley; Thursday, Roselynn.

Focus Concepts

Next week we will learn about the letter **Bb**, the number **9** and review the kinds of ovals.

Valentine's Party

We will be on Winter Break on Valentine's Day. Because of this, we will plan to have our Valentine's party on Friday, February 8. The children are welcome to bring Valentine's cards for all 20 classmates, but it is not required. We will do an early snacky lunch along with our party that day. We will ask the girls to bring fruit to share and the boys to bring chips or crackers to share. We will have maybe a couple sweet treats. Let me know if you would like to provide one of those.

Reading Logs are due every Friday. Please send a Reading Log on Monday if you forgot to do so today.

We've been learning about Abraham in Bible class and how God promised that his descendants would be like the stars in the sky--uncountable.

Jesus was a descendent of Abraham. and *Galatians* tells us that if we trust in Jesus we are adopted into His (and therefore Abraham's) family.

We've been learning about segregation this month by reading lots of books and watching movies about Ruby Bridges and Selma Alabama. Thankfully your children have been indignant and shocked by how Ruby Bridges, Rosa Parks, and Martin Luther King Jr. were treated. Dr. King had a dream that we would not judge people by the color of their skin. I can truthfully say that your children love well.

1st Grade Spelling Test next Friday will be over these words in Lesson 16: my,

by, try, why, n, so, go, *going, *most, *know.

Spelling Test for 2nd Grade next Friday will be over these Lesson 16 words: bird, circle, first, color, word, work, purple, under, water, were, *world, *heard, *third.

**3rd & 4th Grade
Mrs. Eva Hill**

😊 **Happy birthday, Kyndall!** We hope this lovely young lady had a very special birthday.

😊 **In science next week** we will be studying rocks and minerals. If you have any rock or mineral specimens at home, we'd love to have students bring them to school to show the class on Tuesday.

😊 **MULTIPLICATION!**

We use these facts daily in math. Keep practicing!

😊 **"At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents."**

Jane D. Hull

Thank you, parents!

😊 **Lesson 19 spelling words** will be tested next Friday. New spelling lists were in the envelopes last week. If you need a new copy at any time, please let me know.

😊 **Treasure verse quiz** next week is: "God is our refuge and strength, always ready to help in times of trouble." Psalm 46:1 NLT

students also made booklets out of famous peace quotes. They chose their favorite quote to commit to memory.

We watched a cartoon on Martin Luther King called, "My Friend Martin." It gave students a look back in time to the civil rights movement.

In Language Arts we completed our book called Dr. Rabbit. It is the story of Eric B. Hare, a missionary in Burma. We worked on sequencing events, and other comprehension activities.

Math for 5th grade has been on adding and subtracting fractions. 6th grade has been learning percents.

In Social Studies we read about the Dead Sea scrolls, Judaism and Hammurabi's code. It's interesting to learn how the customs and religious traditions we have today originated from history so long ago.

Our weather unit ended and Science is now focusing on the Ocean. Excited to learn about the creatures that live in the Ocean.

Encourage your child to continue to read and take AR tests. They should have 10 points by the end of the quarter.

Have a blessed weekend!

Library

Mrs. Joyce Shedell

Winter: the season for reading. We had some snowball fun in the library this week. Now is an excellent time to curl up with a good book and read. Reading books can take you on adventures to anywhere in the world.

Accelerated Reader: Be earning a lot of points.

AR Store: What would you like to see in the store? The store will be Feb. 22.

Christmas Child boxes:

We are still collecting quarters (and dollars) for the Christmas Child boxes that we sent in November. How fast can we raise the last \$100 needed

Junior Librarians: To be a JL each student must be up to date with their AR reading. Last week's JLs were: Sammy, Brian, Jack, Lillian, Sara, Cody, Lilly T, & Jacciry

New Books: A lot of new books are arriving every week. Look for them on the shelf by the computers.

The Library is closed

on Friday. If you need to return a book, please put it in the red crate by the door. Thank you.
